

RELEASE

- B. Applicant issued an audit report dated April 12, 2004, with respect to eNucleus, Inc. (“eNucleus”). In addition, Applicant consented to the use of the audit report in a November 4, 2004, U.S. Securities and Exchange Commission (“Commission”) filing made by eNucleus on Form SB-2, and Applicant consented to the use of the audit report in a December 16, 2004, Commission filing made by eNucleus on Form SB-2/A. eNucleus is an issuer as defined by the Sarbanes-Oxley Act of 2002 (the “Act”) and the PCAOB Rules. On the dates Applicant issued and consented to the use of the audit report described above, Applicant was not registered with the Board. Accordingly, Applicant’s initial issuance of the audit report, and each of Applicant’s subsequent consents to use of the audit report, violated Section 102(a) of the Act and PCAOB Rule 2100, both of which require that, effective October 22, 2003, any person that issues an audit report with respect to an issuer must be registered with the Board.
- C. Applicant’s violations described above resulted from Applicant’s failure to exercise the degree of care that the Board would expect of a public accounting firm under the circumstances.

IV.

In view of the foregoing, and to protect the interests of investors and further the public interest in the preparation of informative, accurate, and independent audit reports, it is hereby ORDERED:

RELEASE

That Applicant's application for registration with the Board is disapproved, provided, however, that with respect to any new application for registration submitted by Applicant after April 1, 2006, the Board will not issue a Notice of Hearing to determine whether to approve or disapprove such application based solely on the violations that are the subject of the findings contained in this Order.

ISSUED BY THE BOARD.
